

Product overview

Lemora[®]

UNWAVERING COMMITMENT TO QUALITY

Lemora Ventures is a forward-thinking private limited company with Pan-India operations, supported by offices in Delhi, Mumbai, Chennai, and Kerala, and our corporate headquarters in Krishnagiri. We also have an international presence in Dubai. Our extensive network enables us to deliver high-quality food products and exceptional services to meet the diverse needs of customers across India and globally.

Our expertise extends into various sectors, including cosmetics, skincare, body care, hair care, and food product manufacturing. We specialize in producing tropical fruit purees, pulps, concentrates, and IQF fruits and vegetables, as well as a variety of coconut products. Additionally, we actively engage in the production of premium sea buckthorn products and a wide range of spices. At Lemora, our mission is to lead our market segments, build strong brand recognition, and drive sustainable growth through innovation and quality.

Lemora

The Lemora journey

We source fresh produce from local farmers based on your specific needs.

Produce is cleaned, sorted, and prepared at our Lemora's processing unit.

We expertly package the produce at our warehouses to ensure maximum freshness.

Our logistics team delivers the produce to your destination quickly and efficiently.
